

Great things happen when residents use **Recycle Often. Recycle Right.**<sup>SM</sup> program.

By recycling everyday items like those shown below, raw materials, time, energy and money are saved. Plus the recycled materials become new products – if you recycle an aluminum can today, it could be back on the shelf as a new one in 60 days – and the cycle continues.

- Recycling will be collected every-other-week. Place only the acceptable recyclables shown below together in your recycling cart or bin – no sorting needed.
- Containers that held food should be rinsed free of food debris and liquid.
- Do not bag your recyclables – empty recycling directly into your bin or cart.

**Acceptable materials for curbside recycling include:**

**Always recycle:**

Paper

Food & Beverage Cans

Plastic Bottles, Jars & Jugs  
(narrow neck containers labeled #1 and #2)

Flattened Cardboard & Paperboard

**Do NOT include in your mixed recycling cart:**

**NO Food Waste**  
(Compost instead!)

**NO Plastic Bags & Film** (Find a recycling site at [plasticfilmrecycling.org](http://plasticfilmrecycling.org))

**NO Foam Cups & Containers** (Check [Earth911.org](http://Earth911.org) for options.)

**NO Needles** (Keep medical waste out of recycling. Place in safe disposal containers like Waste Management's MedWaste Tracker<sup>®</sup> box.)

**NO BAGGED RECYCLABLES**
