

Dear North Strabane Township Resident:

North Strabane Township provides a comprehensive solid waste program designed to encourage recycling and waste reduction, reduce litter in our neighborhoods and ensure that waste is disposed of in an environmentally responsible manner. This guide includes various services that are available to residents. Waste Management pledges to provide the high-quality service residents expect and deserve.

Regular Curbside Collection

North Strabane Township contracts with Waste Management as the waste and recycling hauler for residents. Garbage will be collected once every week and recycling will be collected every other week according to the attached street listing and calendar. **Place material at the curb after 6 p.m. on the prior day or before 6 a.m. on the scheduled collection day.** Please reference the street listing for your recycling service week.

Service Inquiries

Residents should direct all questions and complaints regarding refuse and recycling collection to Waste Management at **800-866-4460** or online at **www.wm.com**. In the event of inclement weather, visit www.wm.com/alerts for service updates, delays and cancellations.

General Guidelines

- Garbage should be properly secured in containers or plastic bags, weighing 50 pounds or less. Place garbage at curbside, in one area, and do not exceed 15 bags/ cans and 1 bulk item per week.
- Grass clippings and weeds should be in plastic bags.
- Furniture items, appliances, household goods and disassembled children’s swing sets (cut to 4-foot length) will be accepted at curbside.
- Carpet should be rolled and tied in lengths not to exceed 48 inches so that one man can lift.

Recycling

- Each home has been provided with a wheeled green recycling cart with a yellow lid.
- Recycling collection will occur every other week.
- It’s important that the right materials make it into your recycling cart - and that you not bag your recyclables. Empty all recyclables directly into your cart - not in plastic bags.
- Please see the back panel to learn more about our Recycle Often. Recycle Right.sm program, and to become a Recycling Ambassador, visit www.wm.com/recyclerright.com

Please follow these recycling guidelines.
